Some suggested words:

I stand with Ukraine in their #FightForLight.

There's another frontline in the war: between energy workers who heat homes and light streets and russian missiles that destroy power stations and bring darkness.

They need the world's help. Please share.

The image is a screenshot of a LinkedIn post from the DTEK Group (@dtek_en). The post features a video showing a firefighter in silhouette working in a dark, smoky environment, likely a power plant or industrial facility, with bright orange flames and smoke in the background. The video player shows a progress bar at 0:04 / 0:18. Below the video, the post text reads: "There is another frontline in the war in #Ukraine. Between #energy workers who heat homes and light streets and russian #missiles that destroy power stations and bring only darkness. After relentless russian attacks in the last two months, Ukraine's energy workers face a race against time. They need the world's help to protect our skies and find equipment to restore the energy system, before winter arrives. Please share and join our #FightForLight: linktr.ee/fightforlight".
